Subject: Letter of Introduction

At Carlyle Partners, a Mozambican insurance brokerage, we believe that well-structured benefits transform lives, strengthen organisations, and contribute to a more secure society. With this purpose in mind, since 2020, we have provided comprehensive local and international solutions in insurance and pension funds, tailored for corporations, associations, individuals, and families.

Pension Funds

As specialized brokers, we oversee the entire design and implementation process of pension funds, including educational sessions for members. We ensure transparency and peace of mind for both individuals and corporate entities.

Corporate Insurance

We develop bespoke solutions in health (traditional plans or medical funds), group life, and funeral insurance—offering competitive pricing and continuous support. A long-term protection mechanism for companies, employees, and their families.

Individual International Insurance

For clients with global requirements, we offer:

- International Life Insurance: Worldwide coverage with benefit payouts in USD, EUR, or GBP in the beneficiary's country of residence. 100% online, powered by smart health technology—fast and streamlined.
- International Health Insurance: Modular options (Inpatient only or including Outpatient care), including DHA (Dubai Health Authority) approved plans.
- Travel Insurance.
- International Student Insurance: Specifically for students residing outside their home country.
